

On the sinuous and pleasant hills between Castelli di Jesi and Monte Conero, in front of the adriatic coast, autochthonous grape varieties have always been grown successfully.

It is from these places that our wines come, as the fruit of a tradition of quality and seriousness inspired and enhanced by the ancient wisdom of wine-producing history of these lands.

## VERDICCHIO DEI CASTELLI DI JESI

### CLASSICO

Production area: Marche

Vine variety: Verdicchio

Alcoholic strength: 12,5% vol

Features: colour: clear straw yellow;  
scent: delicate and elegant with a vein of fruit and wild flowers.

taste: dry, without roughness, typically bitterish while fading away.

Gastronomical matches: delicious if served with appetizers, risotto and fish and shellfish dishes.

Serving temperature: 10°-12°C.
